

FROM YOUR PRESIDENT

THE NATION'S STRENGTH

I know three things must always be
To keep a nation strong and free
One is a hearthstone bright and free,
With busy, happy loved near.
One is a ready heart and hand
To love, and serve, and keep the land.
One is a worn and beaten way
To where the people go to pray.
So long as these are kept alive,
Nation and people will survive.
God keep them always, everywhere:
The hearth, the flag, the place of prayer.

THE GREATNESS OF AMERICA

De Tocqueville of France, over a hundred years ago,
visited America. Upon his return home he wrote:
I sought for the greatness of America,
in her harbors and rivers and fertile fields,
and in her mines and commerce. It was not there.
Not until I went into the churches and heard
her pulpits flame with righteousness did I
understand the greatness of her power.
America is great because she is good; and if
America ever ceases to be good
America will cease to be great!!
